DREWSEN SPEZIALPAPIERE – Your partner in the packaging sector

We offer you both standard and tailor-made solutions.

With our film press technology, we are able to produce high-quality barrier coatings on two paper machines.

The working widths (225 cm, 470 cm) offer a lot of interesting possibilities for the processing industry.

As a manufacturer of security paper, we are known in the industry as a company with high quality standards.

Consistent product properties are our strength.

Contact us for tailored services and storage solutions.

As a healthy family-run company you will find in us a long-term flexible partner at your side.
